CONNECT WITH ELEY, CONNECT WITH THE WORLD®

Note. If an administrator invites you to a match, you will need to join the host Wi-Fi hub.

<p>1.</p> 	<p>2.</p> 
<p>Scan the hosts Wi-Fi hub QR code. If your device does not have the QR scanner option, set up the device as shown in step 7 of the "Getting Started" document.</p>	<p>Click on the "Competitions" button on your ELEY x-shot app.</p>
<p>3.</p>  <p>Click on the competition you want to join. If the competition is not visible on your device, connect back to a cellular or internet connection and click the refresh button.</p> <p>If the host has already downloaded the competition to the Wi-Fi hub, click the "Local Competition" button.</p>	<p>4.</p> 
<p>Competition visibility note.</p>	<p>Select one of the available camera's/lanes.</p>
<p>5.</p> 	<p>6.</p>  <p>← swipe to see details →</p>
<p>When you are ready, press the "Compete Now" button.</p>	<p>When your target is displayed, start shooting. Similar to practice mode, you can access different screens by swiping to the right and left.</p>
<p>7.</p> 	<p>8.</p>  <p>Do not click the "Leave Lane" button before the competition is saved.</p> <p>Your score and target will be deleted.</p>
<p>The screen will display live: Your score, the other competitor's scores and the current ranking.</p>	<p>Click "Finished" if you have completed your target. The score of all competitors will be updated live until the administrator ends the competition.</p>

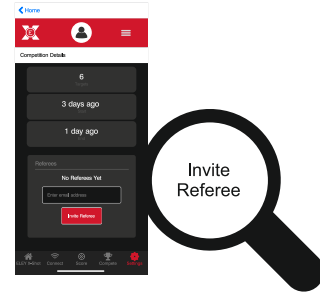

Note. To view the competition results, follow steps 14-17 of the "Setting up a local Competition Guide".

9.

If there is a challenge to a score, the score can be manually adjusted by a referee. (The default referee is the person who set up the competition).

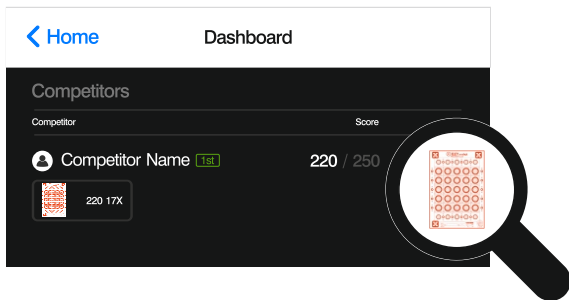

10.

Score challenge note.

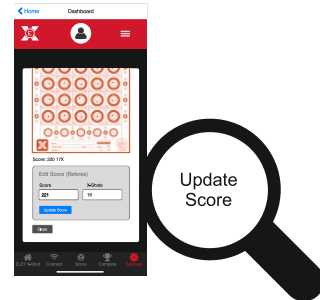

Scroll down to the "Invite Referee" section, enter the email address of the person you would like to referee. Press the "Invite Referee" button.

11.

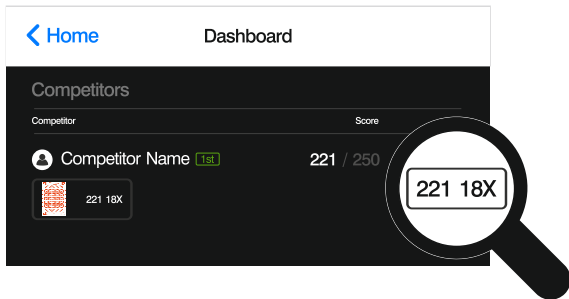

Once the referee accepts the invite they can open the competition and click on the target that needs to be updated.

12.

The referee can enlarge the image to check the shot. The referee can update the score and press the "Update Score" button.

13.

The new score will be saved and the ranking updated.
